FLI Practitioner's Conference
March 1-3, 2023
FLI FAMILY LEADERSHIP INSTITUTE
The National FLI Practitioner Conference is a dynamic, interactive three-day training program for individuals who wish to become certified as a Family Leadership Institute Facilitator or learn more about the curriculum.
The Family Leadership Institute (FLI) is a researched-based multi-faceted educational program focused on providing families with the knowledge, tools, and inspiration to help children succeed in school and life.
Incorporating social-emotional learning and using a practical, ten-step approach, the FLI is the turning point for many families to achieve academic and life success.
Facilitators walk away with the necessary tools, curriculum guide, strategies, and education ready to implement the FLI in their school district.
Observers walk away with the knowledge of the FLI and gain a sense of how to partner and support the FLI in their community.
