**INNOVATIVE TEACHING
STRATEGIES™
CONFERENCE**

The **Innovative Teaching Strategies Conference** features best practices from educators and other professionals working with youth. Some programs are research-tested, while others are promising, innovative approaches created by practicing professionals to help them better connect with students. School counselors and other educators will learn strategies to address challenges such as social media, self-injury, students who are wired differently, intra-racial conflicts, instilling ethics and discouraged students. InnovativeTeach.com

**AT-RISK STUDENTS™
CONFERENCE**

At-Risk & Struggling Students Conference features experts in evidence-based programs who will share strategies you can use to prevent dropouts and to help students succeed. More than 1.2 million students in the United States and Canada drop out of high school each year – with the percentages heavily skewed toward males, low-income and minority students. Attend this conference to gain valuable insights and learn proven strategies for reaching those students who are most vulnerable. AtRiskStudentsConference.com

**SOCIAL-EMOTIONAL
LEARNING™
FORUM**

Truly effective schools not only help students pass their academic exams and state-mandated tests, but also prepare those students to pass the tests of life. Research shows that helping young people manage their emotions and build positive relationships not only prepares them for “real life,” it also helps them succeed academically. The **Social-Emotional Learning Forum** focuses on research-based and classroom-originated interventions, lessons and curriculums that help students manage their emotions, achieve goals, express heart-felt empathy for others, maintain positive relationships and make successful personal decisions.
